The diagram illustrates the assembly of a rectangular frame with a curved top. The frame is composed of several horizontal and vertical rods. The top horizontal rod is labeled '5' and is connected to the vertical rods on either side. The vertical rods are labeled '9' and '10'. The horizontal rods are labeled '10A'. The assembly is secured with screws and nuts at points A and B. The diagram shows the rods being inserted into the frame and secured with the hardware provided in the parts list.
